

### **Form I-9 Virtual Extension Ends**

During the pandemic, the U.S. Immigration and Customs Enforcement agency (ICE) made a provision allowing employers to verify employee documents for the I-9 form remotely. That flexibility has ended.

If you've been taking advantage of this flexibility provided to remote workers, it's important that you return to the usual practice of verifying all documents in person as of September 1, 2021. If you have any questions about I-9s you approved remotely or how to approve I-9s going forward, please reach out to our Human Resources Department.

We continue to work with our clients on all employment compliance guidelines. If you have any questions about this information or your workplace policies, give us a call at 800-891-9911 or email us at [hr@bcnservices.com](mailto:hr@bcnservices.com).
