

UPDATE- New Extension for Remote I-9s

As we were announcing the end of remote I-9 approvals, the U.S. Immigration and Customs Enforcement agency (ICE) was announcing a new extension.

If you've been taking advantage of this flexibility provided to remote workers, you may continue this practice through December 31, 2021. If you have any questions about your I-9 practices, please reach out to our Human Resources Department.

We continue to work with our clients on all employment compliance guidelines. If you have any questions about this information or your workplace policies, give us a call at 800-891-9911 or email us at hr@bcnservices.com.
